SCOTTSDALE AIRPORT
PART 150 NOISE COMPATIBILITY STUDY UPDATE
Website Download Record

A website was made available to area residents interested in the Part 150 Noise Compatibility Study Update. Copies of the chapters, appendices, and other related information were available to download from the site. Following is a record of the activity from the website. Each time a document related to the study was downloaded, an entry in the log was created. The system recorded 410 file downloads during the Noise Compatibility Program Update process.

A file has been downloaded from the Scottsdale Airport study.
